

Scientific work

Important: All the Kaqun Studies have been made in Hungary at Governmental Institutes. These studies have not been made in the US.

2013 - 2015 NATIONAL INSTITUTE OF ONCOLOGY, Budapest, Hungary: The effects of KAKUN-water on patients undergoing oncology treatment – a randomized study

2012 - UNIVERSITAS DEBRECENIENSIS: Therapeutic effect by a mistletoe extract, Iscador and oxygen enriched water (Kaqun) on the development of experimental tumor (A2780, KB-3-1) growth in a scid mice model

2012 - SOUTH BORSOD HEALTH CARE SOCIAL CLUSTER: Report about effects of Kaqun water on the speed of cognitive functions - Permit Number: IV-R-015-14-4/2012

2011 - NATIONAL INSTITUTE OF CHEMICAL SAFETY - DEPARTMENT OF MOLECULAR AND CELL BIOLOGY: Study for the KAKUN's effect for antioxydant capacity (TUKEB No.: 550/2011)

2010 - NATIONAL INSTITUTE OF CHEMICAL SAFETY - DEPARTMENT OF MOLECULAR AND CELL BIOLOGY: Citotoxicity examination of Kaqun water in HepG2 cells /NICS/

2010 - NATIONAL INSTITUTE OF CHEMICAL SAFETY - DEPARTMENT OF MOLECULAR AND CELL BIOLOGY: Report on the examination of KAKUN oxygen-rich water's role in reactive oxygen species generation in in vitro system /HAS/

2009 - NATIONAL INSTITUTE OF CHEMICAL SAFETY - CITOGENETIC AND IMMUNOLOGIC DIVISION: The effect of KAKUN water on the immune parameters of healthy volunteers (TUKEB No.: 42/2009)

2007 - SEMMELWEIS UNIVERSITY: The Psycho-physiological effects of the high OXYGEN content „KAKUN WATER” drinking cure and bath

2004 - HUNGARIAN ACADEMY OF SCIENCES - INSTITUTE OF ISOTOPES: Examination of the effects of high oxygen content water on tumor cells
